

Attention Visitors from Overseas

We now accept credit card payments. Please reserve via the online booking system. Tickets can be issued in advance of or on the day of your visit, so please have your tickets issued once you arrive in Japan.

How to Reserve

(1) Make a reservation via Lawson Ticket website.

Though two payment options are available, to purchase tickets, select "Pay by credit card." After purchasing, the booking number will be sent to your registered e-mail address.

We apologize, but some pages do not have a translate button. In such cases, please use your browser's translation feature to enter information. (Pages where personal information is entered have an English translation button.)

Visitors arriving by car or motorbike require both Tsutanuma Marsh Observation Deck Entry and Parking tickets.

Please purchase a ticket from the "Parking ticket" section when making a reservation. Afterwards, please purchase a Tsutanuma Observation Deck Entry ticket.

(2) Issue tickets at Lawson / Mini Stop Loppi

Issue tickets at a Lawson or a Mini Stop convenience store.

Enter your booking number, registered name, and phone number to complete the ticket-issuing process.

* Tickets must be issued on or before your reservation date.
* If you do not know how to operate Loppi, please ask a convenience store staff member.
